SUMMER
SPECIAL!

Nuts NEWS

Billie Faiers kicks off *Nuts*' Swimsuit Issue!

And all summery,
chomping on a Fab!

➔ WELL, IT took its sweet time, but summer finally landed with a thud, turning our cold isle into a pizza oven. Good for barbies, good for ice-cold pints in pub gardens and good for ladies, celebrities especially, to wear at least 57 per cent less clothing.

Like *TOWIE*'s Billie Faiers here, in a lovely gingham bikini, sucking on a cold Fab. We think we can all agree, a cold Fab has never, ever looked more delicious.

BILLIE ON THE SHOW!

Billie first appeared on *TOWIE* in 2010. She's the co-owner of a boutique with sister Sam.

"Thall an ambulanth!
It'th thtuck!"

SUMMER SPECIAL!

Corrie's Brooke in a bikini!

**Lovely Ms Vincent
suns it up in Spain!**

➔ **YOU MAY** have noticed a more than subtle summer theme to this week's issue, but it seems like we could also have called it the "Webster Special"! For not only have we got the charming Brooke Vincent here (aka Sophie Webster in the dour soap) bikinied up in Spain, we've also bagged her ex-on-screen sister, Rosie, known locally as Helen Flanagan. Helen's launching her pop career in a page or two, and can be found in a bikini later.

Well done, the Webster ladies! (And for more Spanish holiday fun, flip the page to see some men playing with bulls!)

SOPHIE AND SIAN!

In 2010 on *Corrie*, Sophie (Brooke) had a lesbian affair with best mate Sian (Sacha Parkinson).

She loved playing her imaginary violin

"I love you, towel!"

"I've just trodden

haven't I?"

"Hmm, now,
how does Andy

Getting the horn!

Bull-runner runs out of luck!

IT DOESN'T take a clipboard-wielding health

and safety expert to see that running down a cobbled Spanish street, chased by angry bulls, after a night of beer and sangria, could end badly.

And so it turned out as this year's "running of the bulls" in the Spanish city of Pamplona clocked up a higher-than-usual tally of injuries, including this chap, who took a horn through his thigh. Although, if anything, his pride was hurt more, as the bull managed to whip his trousers down at the same time. Cringe!

Bull run facts!

- The bull run takes place at 8am every morning for one week in July. Last Saturday's run lasted just four minutes and 15 seconds.
- Fourteen people have died in the last 100 years of the festival. The last fatal goring was in 2009.
- The herd is composed of the six bulls to be fought in the afternoon, six steers that run with them, and three more steers that leave the corral two minutes later. The steers guide the herd.
- The average speed of the herd is 15mph, down the 826m course.

EXCLUSIVE!

A quick word with Hugh Jackman!

The Wolverine on willy towels, popping veins, kicking ass and being immortal!

Hi Hugh! You look good! Tell us about your new movie,

The Wolverine!

The beginning of our story takes place in the Second World War. It's Nagasaki, the bomb's about to drop, there's panic everywhere. That's where Logan meets the young Yashida and ends up saving his life. Sixty years later, Yashida is the most powerful businessman in Japan. In *Wolverine* he sees someone who has the ability to live but doesn't necessarily want it. Logan's more of a monster than you've ever seen him before!

So why can't Wolverine and Spider-Man join the Avengers? It's not fair!

I literally asked the same question the other day to a man from Marvel. I said, "Man, can this happen?" I understand at Marvel they've got the Avengers, but at some point I just find it almost impossible that there's not a way to bring Iron Man, all the Avengers characters, Wolverine, the X-Men, Spider-Man, and somehow get them in together. I don't see the impediment! I'm like, "OK, you've got three studios, just split it three ways in terms of the cost, and happy days!"

You shot the movie in Japan. Any difficulty adapting to the cultural differences?
I went to a hot spring at

Mount Fuji, where I was handed a towel and a small washcloth. I'm getting hot so I'm using the towel they gave me to dip into the cold water and put on my head. I was getting very strange looks from everybody, though. I was feeling uncomfortable and finally this guy in the tub grunts and points to my head and then grunts and points to my private parts. Finally I realised the towel was meant to be covering my privates and I'd spent about an hour just waltzing around this place with this thing in one hand and a beer in my other!

You always get impossibly ripped to play Wolverine. Did you buff up for this one, too?

I've been spending a lot of time training. I don't think I've ever done so many deep lunges in my life, and for someone with really long legs that is very difficult, let me tell you, ha-ha! I think when you see Wolverine ready to fight you're going to be frightened of him. You can see my veins popping. It's not always pretty, but I think that's important. Unfortunately, it takes time and commitment for a man my age to look like this. It takes a lot of chicken, ha-ha!

You were a friend to the gym?

I worked out for three hours each day, at two in the morning, and then I fitted in another hour whenever I could. The most important thing about the training is

Boris Johnson really was cracking down on London's homeless

the eating. In fact 70 per cent of how you look is how you eat! It's vital.

Do you spend days with your nose in a comic to prepare?

What is interesting is that when I first played Wolverine I was not a comic book fan, so I didn't come with any history of the comic-book character. In the first X-Men film, [director] Bryan Singer wouldn't allow any of the actors to have comic books anywhere near the set. He was concerned that the actors would bring a two-dimensional version of the characters to the screen.

Wolverine bowls up in a suit this time, though. Has he become an accountant?

As far as the suit is concerned,

all I'm going to tell you is that this is not Logan's own wardrobe. This is not his particular choice of clothes and I dare say this may be the very last time you ever see Wolverine in Armani, ha-ha! But I think that secretly he's quite enjoying it.

What's the best thing about playing Wolvie?

The Wolverine is the most badass comic-book character out there. It's wish fulfilment for me and fun playing the toughest guy in the yard!

Wolverine can't die. Would you like to be immortal?

Sure, I'd love to be immortal. Who wouldn't? Mind you if I was Wolverine, I'd probably have second thoughts.

Wolverine hated everything about his new gym. Except the personal trainer

“Wolverine is the most badass comic character!”

Hugh Jackman

He's someone with a lot of regret and pain. Life isn't easy for him, so we see the implications of his immortality and its burden.

Deep! Do you find it hard to hang up the mutton chops at the end of the day?

Is it tough for me to turn off Wolverine? I do use it occasionally to get reservations at a restaurant or a seat on the subway! But after playing Wolverine for 12 years, I can turn it on and off pretty quickly, because I don't think I'd be very welcome at home if I was scowling and calling everyone, “Bub!”

● *Wolverine* is at cinemas from Thursday 25 July.

NUTS INVESTIGATES!

How big is a PS4?

Nuts sizes up the new super console!

➔ **THE CHAPS** from Sony swung round to show off their new PS4 games console. So we did what any investigative journalists would do – figure out if it's thinner than a pint of beer? And bigger than a watermelon?

We can confirm the PS4 is thinner than a pint of lager...

...more squat than a Prem player's football boot...

...and bigger than a watermelon. You're welcome!

Plus! How did we do?

In February, we mocked up what we thought the finished console would look like. As you can see, the two boxes are almost perfectly identical! (Hint, Nuts' version is on the left.)

Swing of death!

Fun, Rocky Mountains style!

BEFORE IDIOT
customers are
strapped into the

Giant Canyon Swing,
which shoots them 400m

over America's Rocky

they have to sign a
disclaimer that reads
thusly: "Falls, injuries

from engaging in the
activity." Which seems
fairly straightforward.
Although if it was us,
we'd add a "dry cleaning
disclaimer". There's no

WWE 2K14 first play!

**An exclusive
grapple with the
silly scrapper!**

➔ IT'S EASY to forget with your *Call Of Duties* and your *FIFAs* that *WWE* continues to be one of the biggest franchises in gaming and is a very silly, sweaty antidote to shooting terrorists in the face.

So when the nice man from 2K arrived at *Nuts Towers* with the latest *WWE* game, a queue of daft men waiting their turn to play the Rock quickly formed and a dozen grins were plastered over our chops when we got hands on.

Game's out in October on PS3 and Xbox 360 and, if this is your thing, you're going to love it.

BIGGEST ROSTER!

This will contain the biggest line-up of wrestlers in any wrestling game. Grapplers will include John Cena, Dolph Ziggler, Stone Cold Steve Austin and The Ultimate Warrior. And, of course, the Rock.

OMG MOVES!

New to this game will be "Signature OMG moves", where your over-buff chap pulls off a chain of signature special moves, including multi-man signature chains. Want to kick a man's head into a ring post? All yours!

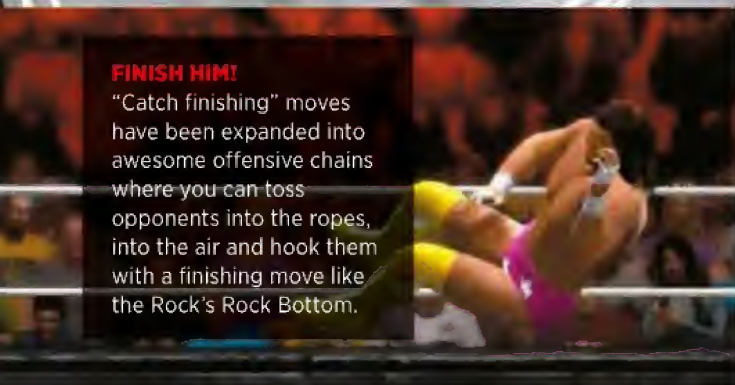

FASTER GAMEPLAY!

Developers have worked hard to ensure the gameplay is faster and snappier. Multiple strikes hit home with less lag and if you reverse a move, you'll go straight into a counter move for a more realistic experience.

IT STILL FEELS LIKE WWE!

It's faster and slicker, but this still feels like the good, old WWE, complete with OTT entrances, chairs to the face and collapsible commentators' desks that you can pile-drive someone's head into.

FINISH HIM!

"Catch finishing" moves have been expanded into awesome offensive chains where you can toss opponents into the ropes, into the air and hook them with a finishing move like the Rock's Rock Bottom.

Flanagan's pop career!

Helen releases actual song!

SO CORRIE hottie Helen Flanagan is adding another string to her bow of appearing in soap operas, refusing Bush Tucker Trials and looking very, very pretty by releasing an actual pop single.

Called *Gorgeous Baby*, it's a grungy, guitar-led ditty and blow us if Ms Flanagan can't hold a tune. Plus! The video's mostly Helen running around in a nightie. Face it, there really are no losers here!

Pretty Jaguar racer concept

The F-Type loses its roof, goes on a diet and becomes a race monster, the Project 7!

- Aston release an open-top, track-gobbling roadster (the CC100) and now everyone wants in on the act! Meet the Jaguar Project 7, a special based upon Jag's lip-licking roadster, the F-Type. It has no roof, 50bhp more power and no room for any passengers.
- Paying homage to the fin-backed D-Type Jag racers

of the '50s, the Project 7 has a similar hump and roll-hoop behind the driver.

- And there's only one seat – a featherweight composite bucket – because where the passenger would sit is just an area to strap in your custom helmet. Since you now sit lower in the cockpit, lashed down by a four-point race

WORDS: JONNY SMITH

"Dude, you've left some toothpaste on!"

harness, it's able to have a chopped down windscreen.

- Elsewhere on the car are a carbon fibre front splitter, side louvres, bonnet vent, side skirts and adjustable rear wing. The front end also has revised air intakes.
- Carbon fibre even makes its way onto the 20in "blade" wheel spokes. All this carbon

fibre and shaving down of mass means the Project 7 weighs 25kg less than the 1,665kg aluminium original.

- Project 7 uses the same supercharged V8 as the XKR-S, providing 542 horses and 502lb-ft of torque - 54bhp and 41lb-ft more than the F-Type. It sounds different, too. Like it's had the exhaust

snipped off. As the Project 7 is a one-off, it doesn't have any catalytic converters or silly silencers.

- So how fast is it? Very bloody fast. It gets to 62mph in 4.2 seconds, 0.1 seconds less than the V8S F-Type and 0.2 less than the XKR-S. It's limited to 186mph, but does 50-75mph in 2.4 seconds.

- So what does all this mean? Well, Jaguar a) has won the Le Mans 24hr race seven times and b) isn't finished with the F-Type yet. There'll be an "R" or "GT" version soon that will reign hell down on Porsche's Boxster, Merc's SLK AMG and hot BMW Z4s. And the price? It's a one-off, so priceless, silly.

Luckily they caught Zorro before he could finish marking the car...

'I was an hour away from losing my arm!'

This is what happens when tipsy grown-ups try to skateboard...

➔ **WHEN PAUL** Chambers went to a friend's birthday party last year, he expected cakes and beer, not a hospital visit and emergency surgery.

"There was a kid at the party skateboarding," says the 32-year-old insurance worker from Manchester. "Being beered up, I thought, 'If he and Tony Hawks can do it, it must be easy!' So I grabbed the skateboard and stood on it. I only moved

about a foot when, all of a sudden, my legs disappeared from under me. I landed heavily on my arm, which caused all the blood to rush into the muscles and swell up to the size of my leg!

"I got myself to hospital where doctors told me I had a compound fracture and compartment syndrome. They decided an emergency operation was required. And fast. Apparently, I was an hour away from losing my arm!"

Since then, Paul's had eight operations and more than 100 stitches. "They cut my arm open on both sides, which left a 19cm scar on my forearm and a 28cm scar on my wrist. The metal and screws will be part of my life forever. Chicks may dig scars, but I'll probably get a tattoo to cover them."

Despite it all, Paul is philosophical about his ordeal. "One day I might learn my lesson, but I don't think I will. Life is too short!"

LETTER OF THE WEEK!

How do I return the favour?

The last time I was on a train with this girl I've been seeing, she gave me a really nice (but very naughty) treat with her hands. I want to return the favour, but using my hands on her in public sounds a bit complicated. How should I go about doing it?

ANON email

Yeah, I've always been jealous of blokes for their ability to get easy hand-jobs and pee standing up. Women are more complicated! Forget the fingering and just ask if she wants to go to the toilets and go for it. She won't even have to be that quiet - trains are pretty loud!

BILLY London

Try mentioning it on a picnic date! It's not the best advice

but it's worth a try if you're looking for an immediate reaction. Or try strawberry picking. You can feed each other fruit. That's very sensual.

She wants to take me home!

My missus wants me to meet her parents and keeps talking about her fascination with rumpy-pumpy in their house. She's sure it'll be a turn on. I'm nervous that I won't be able to get it up under the pressure, though. What should I do?

FERGUS Leeds

If it really is her fantasy, then it is your duty as her man to fulfil it. Where's your spirit of adventure? Spice up your life. And then later you can share your fantasies. Think about that to get you in the mood!

Then he shouted, "Everyone on the right side of the room is gay! Anyone disagree?"

For a minute, no one moved, then a little old man stood up.

The thug glared at him and shouted "You! You looking for trouble?"

"No," said the old man. "It's just that I'm sitting on the wrong side of the room."

SUMMER
SPECIAL!

Nuts' Beach Babes!

Four fit girls, one sunny beach, very few clothes. Your summer has arrived!

ROSIE!

LACEY!

Holly Peers

Hello Holly! How are you enjoying this sunny, sexy trip away?

Working in Ibiza with my mates?

I'm such a lucky girl! It's so much fun. We all tend to get a bit too drunk, though. As is the norm for us. Ha-ha!

Have you been having a sneaky look at any of your fellow beach babes?

Yes, I've been admiring Nicole. She has such an amazing bum. As soon as she gets it out, I'm mesmerised by it. I wish mine was as good as hers! I think it must be all the dancing she does. She's always dancing.

Tell us a cheeky holiday story...

OK, at the start of the week we got in a bit of trouble because our driver was under orders to take us straight home after the shoot, but we all wanted to go clubbing instead... so we hid from him. It took the poor guy an hour and a half to find us!

What do you do when you aren't out partying?

Well, we just send out for lots of alcohol, strip off and get in the hot tub together. Who needs to go out? We've made lots of funny videos, slapping each other with our boobs. It was really funny at the time but when we woke up in the morning, we thought maybe it wasn't such a good idea!

We're off to YouTube straight away! How is the rest of your summer going to be awesome?

I'm just enjoying the fact that we're actually having some amazing weather in the UK right now!

Good call! Finally, can we have some summer fashion tips?

Don't wear those ridiculous shorts covered in flowers and palm trees. What's that about? You see guys with bodies like Greek gods, but it's ruined by those horrid shorts! ▶

"We slapped each other with our boobs!"

Rosie Jones

Hello Rosie! This looks like a fun shoot!
Oh, it's so much fun! It's our first trip together of the summer, so we're all pretty excited. We work pretty hard on these beach shoots, but then go a bit wild afterwards!

How are you enjoying Ibiza?

I love Ibiza – it's perfect for us as no one bats an eyelid when we're prancing around topless on the beach. I'm so used to seeing the girls naked now that it's just completely normal. They've all got great bums and boobs though, so always deserve a bit of perving.

Which celebrity looks best in a swimsuit?

I think Jessica Alba looks perfect in a swimsuit. But Helen Flanagan and Michelle Keegan both have amazing bikini bodies, don't they?

What sort of thing do you girls get up to on these jollies?

We stay up all night chatting in the hot tub or sneak out of the villa on alcohol hunts. On the last adventure, I stole a bottle of Amaretto and Holly found me asleep on a roundabout.

You're famously sexy, but do even you, Rosie Jones, have an awful passport photo?

Ha-ha! In my current one, I'm very hungover and looking rough. But I love having a full passport and looking back at the cool places I've been.

Go on then, make us jealous – where else are you off?

Well, I've just booked a girlie holiday to Dubai so I'm looking forward to that next.

Finally then, can you give us a good bit of summer advice?

Use sun cream because I know boys never do. Even with the best clothes, you'll look like a prat if you're walking about like a lobster. ►

“We stay up all night partying in the hot tub!”

**“I’ve just
been lying
naked on
Rosie!”**

Lacey Banghard

Hello Lacey! How are you enjoying this sassy swimsuit shoot? Oh, it's amazing! It's always really

good fun shooting with Rosie, Holly and Nicole. But I tell you what, it gets cold being in the sea all day. I've just been lying on top of Rosie naked, thinking, "I need body heat!"

At moments like that do you think, "I've got the best job in the world"?

Ha-ha! Yes, it's a good job and we're having fun. And you think, "Well, we can just get drunk after this!"

The Nuts girls' party frolics are pretty legendary now, right?

Well, usually we're party crazy, but we're on strict orders not to be hungover on this trip. But there's still plenty of fun to be had back at the villa.

Dish the dirt, who's the most dangerous one on a night out?

D'you know what, me and Rosie went to Ibiza together for another shoot and the videos are hilarious. There's one on YouTube where Rosie rugby-tackled me. It's like an episode of *Girls Gone Wild*.

Surely not Rosie Jones?

Yes, Rosie! It's funny. It's really weird, though, because we're all sensible girls, but once we're out together abroad, it's crazy. I remember the last night in Ibiza – we went to a club and it was dead, so we ended up singing our hearts out. But none of us can sing.

Finally, what are your plans for the rest of the summer?

It's already been awesome! I've been to Wireless festival and have been shooting in all these exotic countries, so just lots more of that! When I get tired I have a cider, a little boogie and then I'm OK again! ►

SWIMSUIT SPECIAL

**“Model shoots
abroad are one
non-stop party!”**

Nicole Neal

Hello Nicole! How are you enjoying this summer swimsuit shoot? Oh, it's lovely!

Being on the beach was nice and messing around with the girls was fun!

Are you planning any more jolly jaunts this summer?

Hopefully I'll go somewhere sunny, maybe Spain or somewhere like that. Somewhere I can party. It'd be cool to go on a sunny road-trip with some other *Nuts* babes.

You *Nuts* girls are always jetting off! Will you need a new passport soon?

Possibly! Yeah, I'm thinking that maybe we travel more than rock stars. Ha-ha!

Do you ever get recognised by holidaymakers when you do brill beach shoots like this?

Me? Not so much. But Rosie definitely does, and Lacey does too. It would be nice if you were reading *Nuts* on the beach and then you saw the girls come out of the water.

Sort of like sexy sharks?

Umm, OK! You know, doing a shoot in the sea is not as glamorous as it looks. It gets quite cold after a while, and then you're all wet and sandy. But as long as the end photos look nice, I don't mind rolling around in the sand for a bit.

Surely you make up for a day's work by going mental at night?

Yeah, of course! We normally do, anyway. Some of these model shoots abroad are just one non-stop party!

We'll pack our toothbrush!

Finally, Nicole, be honest – can blokes wear Speedos this year?

I'm going to say no. Apparently, in some French swimming pools, you have to wear Speedos – that's the rule. Or maybe someone was pulling my leg!

Turn over for more swimsuit babes!

SWIMSUIT SPECIAL

KATE UPTON

We're pretty sure we've never seen the American model wearing anything more substantial than a sexy swimsuit. Brilll!

AMY CHILDS

Stare at this pic of Amy in a bikini for long enough and eventually you'll notice that she's also wearing a hat.

ARIANNY CELESTE

Yes, she's that UFC babe, UFC standing for Unbelievably Flaming Cute and Unfeasibly Full Costume, obviously.

IMOGEN THOMAS

Imogen's mighty boobs are trying to escape at the top and the underboob area. Pray for this bikini, gents!

KIM KARDASHIAN

We can't tell you much about Kim's bikini, but we'll hazard a guess that she didn't buy it at Primark.

JESSICA WRIGHT

In an effort to out bling her *TOWIE* pals, Jessica has vajazzled her bikini. You can take the gal out of Essex...

HELEN FLANAGAN

Helen and her bikini were the only two reasons for watching the last series of *I'm A Celebrity*... Here they are again!

LUCY MECKLENBURGH

Technically, Lucy is wearing a one-piece not a bikini. This is why it's vital not to get bogged down in technicalities.

MICHELLE KEEGAN

Michelle has every reason to smile here. After all, she's just performed a proper miracle in finding a bikini top that fits. ►

JESSICA-JANE CLEMENT

The Real Hustle hottie once told *Nuts*, "I'm a winter girl. It's a sexy season." Miss Clement, this pic begs to differ!

BILLIE FAIERS

Staring at Billie's bikini top will make your eyes go all funny. And believe us, you *will* stare at it. For a long time.

SAM FAIERS

From *TOWIE* to the shores of Marbella, Sam remains loyal, thankfully, to her love of very skimpy bikinis.

OLIVIA MUNN

The US telly star loves her summer smalls. Fun fact: She has a degree in journalism. Come work at *Nuts*, Olivia!

CHLOE SIMS

Another *TOWIE* stunner does wonders for summer in a two-piece. We'd love to see her in this at Southend-on-Sea!

RIHANNA

The pop princess blows us all away in a number that wouldn't look out of place in *Ann Summers*. Crikey!

GEMMA MERNA

Merna sounds a bit like "marina", which is apt, as five ships crashed after being distracted by her sexy seaside charms.

KELLY BROOK

She's recently given the beach bikini the elbow (best pics ever) but Kelly is still the bomb even when covered up.

TULISA

The Brit pop bad girl is the sort of lass who is a) very fit, and b) would take you on an awesome night out. ✖

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can also win extra cash!

Number lines

Click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win big!

Bonus game

If you bet on all 20 pay lines and get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the progressive jackpot at stake.

10 RUDE QUESTIONS!

And a real girl to answer them!

Holly

21 Preston

1 Where's the strangest place you've had sex?

"I once did it in the back of a taxi on my way home from a nightclub. We tried our best to not make it too obvious what we were doing. I think we failed, though, as the driver made it pretty clear he wanted us both out of the taxi as soon as possible!"

2 What's your trademark move in the bedroom?

"I like to nibble on a bloke's sensitive areas and I reckon I'm a really good kisser. Kissing a boy's neck and nibbling on his ear always works wonders for them! There's nothing better than making another person feel really good."

3 What really turns you on?

"Actually, having my own neck kissed feels really good! I like eye contact as well – it makes the whole experience so much more intense. It really turns me on when I can tell the bloke's enjoying himself, too!"

4 What's your favourite position?

"Oh, from behind! I know that I look really sexy in that position, too. Ha-ha!"

It does the trick for me every time, anyway."

5 Is it better to give or receive?

"I can't say that one is better than the other. Giving turns me on, but I must admit it's amazing to receive as well! I'm just going to have to say both, aren't I? Ha-ha!"

6 What one thing would you really like to try but haven't yet?

"I want to have sex somewhere with people around you but without them knowing. Public transport would be perfect! The thought of almost getting caught really turns me on."

7 Ever got it on with another girl?

"I've kissed another girl, but I haven't gone further than that. Yet! I do think girls are fit, though. I had a photo shoot with another girl not so long ago, which was quite exciting because we were all over each other. I'm not going to tell you who it was. I might embarrass her!"

8 What's your sexiest outfit of choice?

"I've got this costume from Ann Summers that's pretty hot. It's a French maid outfit and all the fellas I've showed it to can't wait to get me out of it – so that would probably be my choice."

9 Have you ever made a sex tape?

"No! I wouldn't dare, even though the thought of it is very exciting. I wouldn't want to risk it coming out. When it's out there, it's out there forever. Just ask Tulisa!"

10 What's the rudest thing you've ever done?

"I had sex with a guy from work a few years ago while on our break. We only had ten minutes, but made every second count."

CONFESSION OF THE WEEK!

'I lowered myself down him'

MY BOYFRIEND plays drums in a band and recently got a new kit to go in our garage. I'd often watch him pounding away, but one night I squeezed in front of him on the stool. Holding the sticks in my hands, he guided me through the kit. After a few minutes of bashing the drums, I felt him go hard. I pulled my skirt up and my knickers to one side. He released his stiffy from his shorts and I lowered myself down onto him, giving him a great view of my bum. Bouncing and grinding in his lap, we were the naughtiest of drummers!

'I knew we'd get it on'

PRESIDENT'S WEEK at my cricket club is always great fun. Working behind

the bar, I get to flirt with all the hot guys and there's always someone new as teams come and play our home side. One evening, I noticed this hot guy giving me the eye. As I cleaned his table, I got in a muddle and

spilt beer over him. Blushing, I led him into the back to dry his trousers. As we went through, he brushed up against me and I could feel his toned body through his polo shirt. The thought of getting down to it with him made me hot, and I could tell that he felt the same. Suddenly, we were kissing passionately, our hands all over each other. He then surprised me by going down on me and giving me amazing oral over some beer crates. It felt so good and I struggled to keep the noise down, praying nobody would hear us. Our team lost, but I was a winner!

'My new boobs did the trick'

MY BOYFRIEND and I went to a wedding recently. It was the first time I'd showcased my new boobs and I loved the attention – especially from my boyfriend! Without saying a word, he started passionately kissing me, and his scratchy stubble really turned me on. He led me out into the gardens, pulled my dress up and I let him put his hand into my panties. I was really wet by now and he was whispering dirty things in my ear. I rushed him to the toilets where we got down to it. My new additions were definitely worthwhile!

Lisa North London

'Friends had a rude view'

WE HAD a few friends staying for my man's 25th birthday and we'd enjoyed some cocktails and drinks. I went into the kitchen to get some more wine and my man got up to follow me. He grabbed me, lifted me onto the counter and told me he wanted to see me playing with myself. I was feeling pretty horny so I pulled my knickers to the side and did as he asked. I could see how much this turned him on, so I leapt down and onto my knees and unzipped his trousers. He moaned and pulled at my hair as I took him in my mouth. Just then, my best friend and her fella wandered in and just stood there, staring. I didn't notice them and my man couldn't hold back, so they got a bird's eye view as he reached his climax. They've never been to stay since!

Pre-season silliness!

SUMMER SPECIAL!

Football foolishness in foreign lands!

➔ **THE NEW** season is nearly upon us, but before we get down to business, the big clubs are preparing their players and lining their pockets by heading out on their pre-season tours. And, as ever, that means bemused players being mobbed by

lunatic overseas fans, wearing peculiar local outfits, posing awkwardly with zoo animals and looking rather camp in swimwear. *Nuts* therefore now celebrates Silly (Pre) Season 2013. Warning: these pages contain images of waxed male chests.

THAI'ED DOWN!

BOW DOWN AND SHOW NUFF RESPECT!

Jose Mourinho, Chelsea chief exec Ron Gourlay and Frank Lampard met the King of Thailand. On your knees, proles!

WALKING ON HOT COALS!

"What's that, Southampton club-record signing Victor Wanyama? Yes, of course you can endanger your feet!"

DELIGHTED BY DESSERTS!

Thanks, Big Frank Lampard, for smiling at this large pile of cakes, so that we don't have to write a funny caption.

SPECTACULAR SHAVINGS!

It's rare for a footballer to *not* be the one in a photograph with a daft barnet, but here's Eden Hazard pulling it off!

CHEST-OUT CAMPNESS!

More Chelsea daftness, with a picture that forces one to think, "Blimey, Marco van Ginkel (left) has got moobs!"

SPECIAL ONE!

HILARIOUS HEADWEAR!

We don't know why Jose Mourinho is wearing a training cone on his head in Indonesia. All we know is, he has a spare one.

ARSENAL AIR!

What we can learn from this pic is either a) Arsenal players can fly a plane or b) Arsenal players weirdly travel in full kit.

WHAT THE CRIKEY?

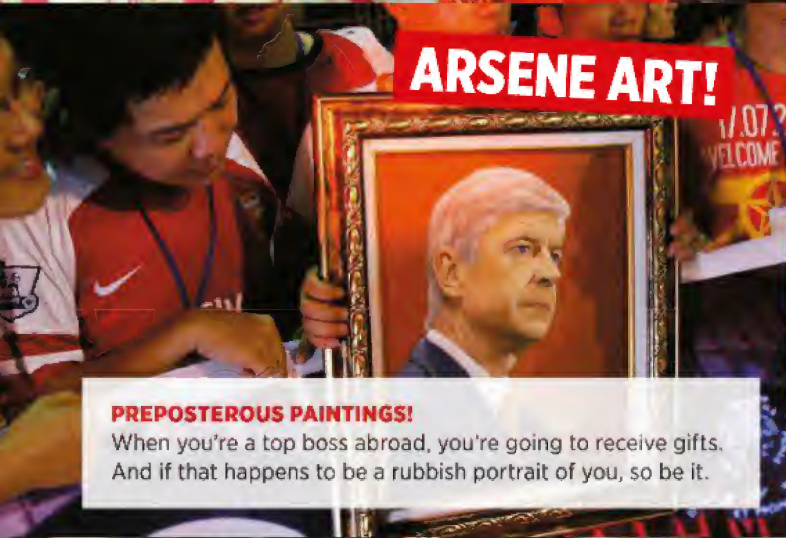

Nope, before you ask, we have no idea what's going on here. Arsene Wenger's in Vietnam, that's about all we can tell you.

NOT A GOOD LOOK!

HILARIOUS HEADWEAR #2!

More silly headgear in south-east Asia. However, a few of these Gunners have knives, so we're not going to tell them.

ARSENE ART!

PREPOSTEROUS PAINTINGS!

When you're a top boss abroad, you're going to receive gifts. And if that happens to be a rubbish portrait of you, so be it.

PATRICE EVRA, A CARROT AND A GIRAFFE

On any foreign trip, it's de rigueur to pose with exotic animals. Here, Patrice Evra can be seen feeding Peter Crouch.

CHEST-WHACKING CHEEKINESS!

This is Southampton's Jay Rodriguez being beaten on the chest with arrows in Spain. Friendly lot, those Spaniards.

BONKERS BRANDED AEROPLANES!

Yes, it's true - apparently Liverpool flew to Jakarta in their own LFC-branded jumbo jet. The flash buggers.

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

Moyes was winning
Thumb Wars 3-1

Rooney's on his way out!

Wayne's exit is now looking inevitable!

THE WAYNE

Rooney situation is developing, with David Moyes acknowledging that he's the club's second-choice frontman.

I think Wayne has made it clear he wants out of Man United, which I'm guessing is the real reason why he went home from their pre-season tour. I think they're trying to make Wayne's exit smoother for the fans.

At the time of writing, there's been no word from Wayne's people other than

he's not happy about being considered a back-up player. But as soon as Moyes said Robin van Persie is the main man, it gave other clubs an opportunity to make their intentions clear.

It was rumoured at first that Chelsea were going to offer cash plus Juan Mata or David Luiz – I wasn't surprised when Mourinho denied this. Mata's a great player who'd only add to United's squad. I don't think Chelsea will be using him as a makeweight in any deal!

"Where did you appear from, JT? You called in sick this morning!"

Mourinho's playing Europa League mind games!

JOSE MOURINHO said he wouldn't consider winning the Europa League a great success, which is significant given that Chelsea are the current holders!

But he's just trying to let fans know that his next trophy for Chelsea will be the Premier League, FA Cup or Champions League.

If Chelsea end up in the Europa League, it'll mean they've been knocked out of the Champions League first. I think he's saying to the fans they can expect big trophies!

ASK KAMMY!

"What's the best pre-season tour you've been on?"

BIG SAM via Twitter

I've had some great pre-seasons. Norway and Sweden with Leeds, and Iceland with Sheffield United, for example. You have to watch yourselves on pre-season tours. One year, when I was at Stoke, we went to Finland and Norway and won all our games by at least three goals.

We came back thinking we were invincible and were going to cruise the old Second Division. It didn't turn out like that!

Nuts **SPORT**

EXCLUSIVE!

Behind the scenes at F1!

Nuts works with the Lotus pit crew!

➔ **WITH THE** Hungarian GP revving up this weekend, we dispatched a Nuts man to find out what life is like in the pits for an F1® crew by paying a visit to the Lotus F1® team at Silverstone...

- Suremen is an official partner of Lotus F1® team. Hungarian Grand Prix, 28 July, Sky Sports F1/HD.

"Hurry up, photographer bloke, I'm clanking for a wee!"

IN THE PITS!

9.15AM SWANNING UP AT LOTUS' PIT LANE BASE!

Every team has a portable HQ the size of a small hotel in the paddock complete with restaurants, offices and private rooms for drivers to chill in. With 80-100 staff working for Lotus at every race, it's a hefty operation. So thank the Lord for all that TV and sponsorship money!

9.52AM MEETING THE MEN WITH THE SPANNERS!

Nuts is invited into the pits where crews of technicians make constant adjustments on Lotus F1®'s two cars, one each for drivers Kimi Raikkonen and Romain Grosjean. Each driver has his own personal team, with the whole lot overseen by the Trackside Operations Director, Alan Permane.

10.04AM TAKING THE CAR OUT FOR A LAP!

Romain gets into his car for an "installation lap", to get the car running. When he returns, the tyres are immediately taken off and put in their own heated "sleeping bags", to keep the temperature up and enhance their grip. The garage literally reeks of burning rubber.

10.15AM CHATTING WITH DRIVER ROMAIN GROSJEAN!

With cars from every team screeching past us, Romain comes back and has a word with Nuts. "I love doing this job," he says. "You know, I'm just a normal guy, but I love winning, whether it's on the track or playing tennis." We're sure Kimi feels the same way!

11.00AM WHERE THE MONEY COMES FROM!

As the teams wait for some rain to stop, we're told that while Lotus sponsors the team, they don't actually make the cars. The engine is manufactured by Renault, while the rest of the car is assembled by a team in Oxfordshire, who've been in the F1® game for more than 30 years.

13.05 WHAT A WHEEL!

Our tour includes a close-up look at the amazing steering wheel. All the gears – except first – are controlled by paddles on the back of the wheel. The DRS (Drag Reduction System) system, which alters the angle of the rear flap to adjust aerodynamics, is also controlled from the wheel.

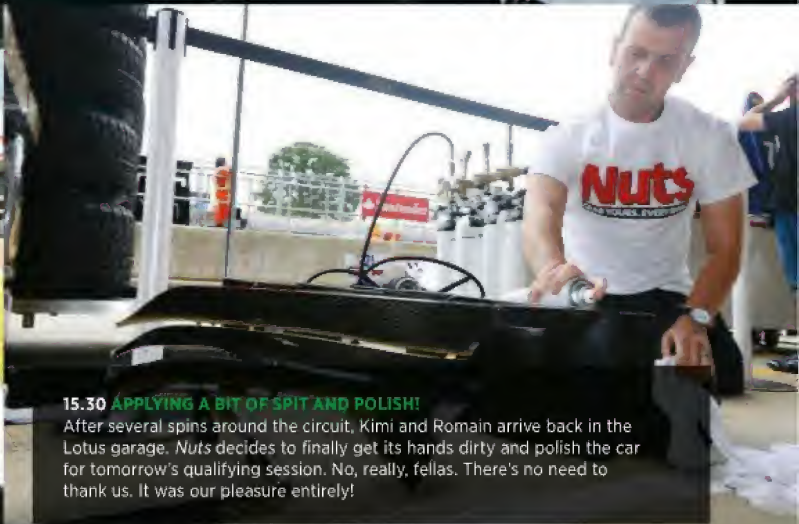

14.30 PUTTING THE HAMMER DOWN!

With the day's rain petering out, drivers Kimi and Romain come into the Lotus garage for the afternoon session. Kimi has a consultation with his personal physiotherapist, while Romain get into his seat and starts the ignition. The noise is deafening – it gives you an insight into why all the crew wear ear plugs.

14.40 TALKING TO THE TECHNICIANS!

On the track, Romain's in constant touch with his own dedicated engineer, who gives him team orders and informs him how the car's running. Meanwhile, the Lotus F1/Renault telematics team study the data transmitted by the engine so it can be tuned for the next run-out.

15.30 APPLYING A BIT OF SPIT AND POLISH!

After several spins around the circuit, Kimi and Romain arrive back in the Lotus garage. Nuts decides to finally get its hands dirty and polish the car for tomorrow's qualifying session. No, really, fellas. There's no need to thank us. It was our pleasure entirely!

4.17 TAKING THE CARS APART!

As the fans leave, the technicians begin work on the cars, including two of the *eight* engines that the team possess. The cars are immediately disassembled with the wheels and engines taken away within a matter of minutes. If only your local Kwik-Fit operated at this speed!

SIGNED FROM: JUVENTUS

"Since reaching the top flight at age 25, Giaccherini's rise has been speedy and vertical. A small, pacy winger, managers love his intelligence and work-rate on the pitch. Even though he wasn't a regular at Juventus and isn't overly skilled on the ball, he was an important part of the Italy squad at Euro 2012 and the 2013 Confederations Cup, precisely because of his versatility, attitude and graft."

He came into his own last season after some highs and lows in previous years but, at 23, is yet to enter his prime."

NAME: GERARD DEULOFEU **NEW CLUB:** EVERTON
SIGNED FROM: BARCELONA

"Deulofeu's a goalscoring winger who loves to come inside. Technically well-rounded with decent size, he's been ahead of the curve at every stage. A regular for Barcelona B at 17, he notched 18 goals in the Spanish second flight last year. Now, at 19, he's not quite ready to be a regular for the first team, so they've shipped him to Goodison. But only for 12 months. Too good to let slip away."

NAME: ALVARO VADILLO **WANTED BY:** SPURS
CURRENT CLUB: REAL BETIS

"Two years ago and just two weeks shy of his 17th birthday, Vadillo became the youngest player ever to appear in a top-flight Spanish game. He suffered a bad cruciate injury but, prior to that, was regarded as one of the most talented teenage wingers in Europe. His gifts are obvious, but it may take a while for him to live up to his potential. The good news, though, is that he's still just 18."
